

Job Descriptions

1. Chief Human Resources Officer (CHRO) - AI Startup

Company: NeuralWorks AI

Location: San Francisco, CA (Hybrid)

Salary: \$200,000 - \$250,000 + Equity

About Us:

NeuralWorks AI is a rapidly growing AI research and development startup focused on building state-of-the-art machine learning solutions. Our team is scaling fast, and we need a dynamic CHRO to build and lead our talent strategy.

Responsibilities:

- Develop and implement a talent acquisition strategy to attract top AI engineers and researchers.
- Drive DEI initiatives to build an inclusive and diverse workplace.
- Oversee leadership development and succession planning.

Requirements:

- 15+ years in HR leadership roles, preferably in tech startups or high-growth companies.
- Strong experience in DEI and culture transformation.
- Expertise in HR technology and automation tools.
